Legal Process of Egg Donation

1. Sign the Fee Agreement to create an attorney-client relationship with Reproductive Family Law Center (RFLC).
2. Fill out the Ovum Donation Questionnaire.
3. Get medical approval of Egg Donor and retrieval date from Reproductive Endocrinologist.
4. Notify RFLC that you and the Egg Donor are ready to move forward with the Agreement.
5. RFLC will write the Agreement to your specifications.
6. RFLC will set up a meeting with you to review the terms of the Agreement and explain the laws on the issues covered within the Agreement.
7. Once you approve the Agreement, RFLC will send it to the Egg Donor and her attorney for review and approval.
8. After the Parties approve the terms of the Agreement, they will authorize their respective lawyers to sign the contract on their behalf.
9. RFLC will notify your doctor of legal approval to go forward with the egg donation retrieval.
10. IVF and baby making!
